

# **Catamount Library Network, Incorporated Membership Agreement**

## **I. Purpose**

This Membership Agreement outlines the initial agreements that form the basis for membership in the Catamount Library Network Council by a library entity.

## **II. Mission**

The Catamount Library Network (CLN) is a consortium, organized with the primary purpose of creating an open-source multi-library shared catalog and integrated library system (ILS), using the Koha ILS platform, for participating Vermont libraries.

## **III. Membership**

While individual library entities retain autonomy over their own local operations, participation in the Catamount Library Network (CLN) requires collaboration in developing certain common policies and shared decision making. As a consideration for acceptance and continuation of membership, the designated library entity agrees to abide by the following terms and conditions:

- a) Accept and follow the CLN Bylaws.
- b) Abide by the Catamount Library Network Code of Ethics (Appended)
- c) Accept and comply with the provisions of contractual agreements made by the CLN on behalf of member libraries and to accept responsibility for the acts of its own employees related to these matters.

- j) Lend library materials to patrons of all participating libraries according to CLN rules and policies, with exceptions as noted in CLN policies.
- k) Connect to the network exclusively with equipment that is compatible with the CLN
- l) Restrict the creation of data records and operations of the Library entity to authorized and trained personnel, and in compliance with CLN rules and policies.

- m) Ensure library personnel participation at all appropriate training and continuing education programs.
- n) Process Intra-consortial Loans (ICL's), transactions and returns within a maximum of four (4) working days if materials are available. Materials must be returned to the owning library by the due date except if the item is on hold for its next checkout to a patron at your library.

- p) Enter accurate information on all CLN related transactions, reports and statistics.
- q) Maintain standards and practices of collection development and *not reduce acquisitions* by reliance upon the collections of other participating CLN libraries.
- r) Refrain from internal policy changes that would adversely affect other participating CLN libraries.
- s) Designate a representative to serve as the CLN liaison for the library entity who shall communicate with the CLN Board on implementation and operations issues.
- t) Designate a point of contact for communicating all support and technical issues to the CLN Support Team and ByWater Solutions, Inc.
- u) Designate one library staff member to act as the "super cataloger."
- v) Regularly participate as appropriate with the Council and the Board in review of CLN operations, and participate in joint development of plans.
- w) Regular attendance by a library representative is required for board and committee meetings.
- x.) Attendance by a minimum of one representative for each member library is mandatory at the Annual Meeting. Attendance may be in person or via remote meeting software.

Failure to adhere to any provision, policy, or requirement that is not corrected or addressed to the satisfaction of the Board within sixty (60) days after written notice of the violation is given by the Board will constitute default under the terms of this Agreement. If default should occur the termination provisions in the Bylaws will be invoked.

#### **IV. Database – Bibliographic Records and Holdings**

The library entity shall be deemed to have retained title to the library entity databases at all times, unless the library entity transfers the title to the CLN. The library entity shall incur all costs to remove bibliographic records and holdings information plus patron information from the database, in the event the library entity chooses to no longer participate in the CLN or is asked to cease participation due to a violation of any provision, policy, or requirement that is not corrected or addressed to the satisfaction of the Board within sixty (60) days after written notice of the violation is given.

## **V. Equipment**

Equipment to operate the CLN open source Koha system within a library will be the responsibility of the local library and must conform in a timely manner with the technical specifications adopted by the Council and as these specifications may be amended from time to time. ByWater Solutions, Inc. has contracted with CLN to host and provide technical support to CLN members. Member entities must abide by the conditions set forth in the Contract.

## **VI. Financial Responsibilities**

a) Adoption The financial responsibilities of member libraries (herein the “assessment”) including, but not limited to any fees or other charges will be assessed annually. The Board will propose a budget for the coming year on or before September 30. The budget as accepted, or amended, will be adopted by the Council at the annual meeting. Member libraries will be delivered their assessment no later than January 1.

b) Membership Fees. Proposed membership fees will be presented each year by the Board of Directors to the Council at the annual meeting, for approval by a simple majority of the Council.

Should the Council not approve the proposed membership fees, a comment period will follow the vote. Members of the Council will have the opportunity to present the rationale for rejecting the proposed membership fees, and to offer alternatives. The Board of Directors will take this commentary under advisement, and present proposed membership dues at a specially called meeting of the Council and Board of Directors. This meeting will be held within 30 days following the annual meeting. Should no agreement be reached on membership dues at the subsequent meeting, membership will continue under the existing contract until the following year’s annual meeting.

Assessment notices will be mailed to incumbent Member library entities no later than January 1 following the annual meeting with a 30 days payment due period.

First year membership fees for CLN libraries will be pro-rated based on the “go-live” date. Migration fees for individual joining libraries will be billed directly from ByWater to the new member.

## **VII. Termination of Agreement**

The Agreement shall remain in effect until terminated by either party in accordance with the provisions of this Agreement.

## **VIII. Modification/Amendment**

This Agreement may be amended by mutual written consent of the Board with the approval of the Council.

## **IX. Notices**

All notices to be given under this Agreement will be in writing and given by depositing the same in the United States Mail. Notices will be sent to the designated point of contact for each member library.
